## FROM THE COUNCIL CHAIR

Vintage 2017 saw a very cool season, with rising yields in some varieties from the rain events and rising disease-pressure, together making vintage decisions difficult. Despite the vintage total crush for the Limestone Coast being up at 127,000 tonnes, some fruit was not harvested, especially in cooler vineyards. The regional post vintage tastings showed a lot of good wines were made this year. Good news also this year is the situation with Chardonnay is starting to shift, with the impact of vineyard removals in irrigated areas beginning to effect supply/demand.

Demand for bulkwines into China and demand for higher quality wine from leading export companies has seen continued improvement in trading conditions with China our leading export destination by dollars at \$853 million of sales, with USA at \$461 and the UK at \$349, with total exports up to \$2.44 billion. The increase in exports to China from last Octobers figures at \$300 million, has been both at lower price points and significantly at the higher price points of \$30 and above. This has undoubtedly been good for the Limestone Coast and we can only hope the dollar stays in the critical 0.7-0.8 USD band so these exports can continue. Winters rains have been good and flushing and recharge this year will set the vineyards up for a good season.

Also of note this year is the Australian Research Council funding of a large research project at the Naracoorte Caves in Wrattenbully. This project will examine the 500,000 year fossil record in the caves and use up to date techniques to more precisely date these strata, document climate change over this period, and more precisely map the caves. This project is worth just under \$2 million dollars and involves 40 senior scientists plus their students. A world heritage listed tourist attraction into mega-fauna will be a welcome reason for more tourists to come to the Limestone Coast.

I would also like to pay tribute to Colin Kidd who passed away this year. Colin was a Patron of Coonawarra, who started in Coonawarra in 1965 both running the vineyards and in 1968-1972 the Rouge Homme winery as well. Colin oversaw the establishment of the now famous Limestone Ridge and St George vineyards as well as a large vineyard area in Padthaway, and latterly in his career, new trial sites in Mount Benson. Colin continued to live in Penola, when National vineyard manager for Lindemans, eventually retiring to Adelaide.

### **Council Activities this year.**

The Tech committee chaired by Kerry de Garis, has secured regional funding for 2017-2018 projects. Including ; contributing to funding winemaking for the Coonawarra Cabernet rootstock trial, (which did not happen in vintage 2017), an Alternative varieties study for Coonawarra and Wrattenbully, a Technology for vineyards project, a nutrition in vineyards project and the recently conducted snail / earwig workshop.

The Tech committee has also secured funding from Wine Australia for an Incubator project into Berry Shivel in Cabernet Sauvignon in the Limestone Coast that will be conducted by Dr Vinay Pagay of the University of Adelaide with a project value of \$68,000.

We are also continuing to fund Eutypa research spore traps with SARDI.

Ben Harris also managed to gain funds from PIRSA to make our Unearthing Viticulture online document more user friendly, for downloading individual regional information and improving regional soil maps. This work is due for completion shortly.

The SA Parliamentary Inquiry into unconventional gas handed down its report in November 2016, recommending unconventional gas exploration not proceed in the South East, due to lack of social

# Wine Show '17'

licence and questions around well integrity over time, and accidental spills. The Wetherill government however has continued to pursue gas exploration by releasing 5 new Petroleum Exploration Licences (PELs) , with \$20 million of exploration funding. These licences surround Coonawarra and go across to Robe.

Beach Energy has received \$6 million of govt funding to use conventional drilling techniques on the Haselgrove-3 well currently being drilled, just outside the Coonawarra G.I. Total royalties received by the govt for gas in the last 100 years in the SE is \$11 million, so half of this income has been returned to industry for one well.

Stuart Sharman on behalf of the council continues to co-operate with Primary Producers SA, Potato growers and Horticulture representatives, the AWRI, WGCSEA, SAWIA and other lobby groups to advocate against the use of Fracking in the Limestone Coast.

This year is the 17th Limestone Coast Wineshow with Jane Faulkner returning as chair of judges and Sarah Ahmed -The Wine Detective from the UK our international Judge for 2017 and 4 new judges Julian Langworthy- Deep Woods, Wendy Cameron MW -consultant, Emma Norbiato -Calabria Family Wines, and Jeremy Prideaux from the City Wineshop in Melbourne, making up our team of Judges. I would also like to thank all the Judges for giving up their time to come and Judge the show.

I would like to thank the Sponsors who support the show and make it possible and also I would like to acknowledge all the volunteers effort to bring the wine-show to fruition and bring the Limestone Coast wine community together for a celebration of the wines from our regions, and in particular the committee members and their employers who work all year to make the show work.

### 3. Trophies & Awards

- 3.1. For an overview of trophies and hierarchy refer to p.5 Trophy Flow Hierarchy.
- 3.2. The Arthur Hoffmann Trophy for Best Viticulturist of Show and travel bursary, will be presented to the nominated viticulturist for the Bill Redman Trophy for Best Wine of Show. Nominations are part of the entry form and should reflect a strong link to the wine. It is expected the travel bursary be used for/toward an international field trip to be within 2 years of it being presented. Where more than one viticulturist has been involved in growing grapes for a wine, one viticulturist must be nominated on the entry form for the purposes for granting the travel bursary. Winemakers or proprietors are not accepted by the committee as substitutes for nomination, and if a name cannot be provided for a winning wine, the trophy and travel bursary will be withheld.
- 3.3
  - 3.3.1 There will be a trophy for the Best Individual Vineyard Wine. For an exhibit to be considered as an INDIVIDUAL VINEYARD it shall be from a NAMED single block or vineyard clearly referred to on the commercial label (front or back) that reflects the link between site and label. The individual block or vineyard shall be a single site continuous and defined. The wine shall be 85% or greater from this site. For an exhibit to be considered for this trophy, a FORM 2 for each wine shall be completed with the required documents submitted by post or email at the time of entry. If paperwork is not received prior to judging, the committee will untick the Individual Vineyard box on the entry form.
  - 3.3.2 PLEASE NOTE: returning individual vineyard exhibitors may opt to use the VINEYARD REGISTER, whereby documentation shall be submitted at least once every three years, if no significant changes have been made to the wine label and/or vineyard block as defined on the label. If significant changes have occurred, paperwork as for 3.3.1 will be required. A different vintage year will be accepted.
- 3.4. There will be an opportunity to enter experimental small batch wines. Small batch is defined by the committee as where a maximum of 1350L (150 dozen) were produced and a minimum of 25 cases are in stock at time of entry. These will be judged with the regular exhibits and in the regular classes. The Panel Chair will be advised of the exhibit numbers of small batch wines within each

# Wine Show '17'

- 3.4. (cont.) class once initial judging of the class is complete, in order to make decisions on the wine's merit to be put forward for this award. The award is designed to encourage experimentation, and may be given to the best wine that exhibits something new or innovative or is simply excellent. If a wine is entered as an experimental small batch at time of entry, it is not eligible for any award other than the experimental small batch award. The winning wine does not need to be a gold medal, and may or may not be a bottled wine. Small Batch wines shall not be entered in the Museum or Provenance classes (classes 7 to 14).
- 3.5. There will be an International Judges Award. Any labelled wine entered in the show is eligible for this award. The International Judge will determine the criteria for selection. The philosophy is to award a deserving wine that shows excellence but would not necessarily achieve status in the existing judging and trophy structure. The award will be presented along with the trophies and in similar fashion. Non bottled wines are excluded from this award.
- 3.6. There will be an award for The Chief of Judges wine to watch. This will be awarded to any wine of merit by the Chief of Judges. It does not need to be a gold medal wine and is a stand alone award. Non bottled wines are excluded from this award.
- 3.7. The most successful exhibitor trophy will be awarded to the exhibitor who has achieved the highest aggregate score, from their top five or less scoring entries. No more than five exhibits shall be included for the calculation for this trophy. Non-bottled wines points and Provenance Classes 7-12 are excluded from this calculation.
- 3.8. Wines entered for **Provenance Trophies** will be judged as a stand-alone group or section. Exhibitors will be asked to enter **3 wines of the same label**, one of current vintage, one of between 5 years and 9 years older than current vintage and one of at least 10 years older than current vintage. Wines will be **judged as a group of three**. Provenance is designed to recognise and celebrate wines of exceptional consistency of style and quality over time. The label is the winner, not a particular vintage. Exhibits entered into the Wine of Provenance classes may also be entered in an Open Class.

#### 4. Protocols

- 4.1. All exhibits become the property of the Limestone Coast Wine Show.
- 4.2. Condition of entry that exhibitors agree to abide by the consequences of the wine show auditing process.

  - 4.3.3. Will be asked on entry to nominate address or warehouse where stock can be inspected and audited, as inspection of stock may form part of audit process.

## THE TROPHIES

### THE BILL REDMAN TROPHY FOR BEST WINE OF SHOW

Bill Redman is considered to be one of the pioneers for the region's wine industry. His first vintage was at John Riddoch's winery in Coonawarra in 1901 and he was appointed head cellar person at the age of 19 and learnt the craft of winemaking from Ewen Fergusson McBain.

In 1909 Redman entered into an agreement with Douglas A Tolley to make wine from the Redman family vineyard in hogsheads supplied by Tolley. This arrangement continued for 10 years with most of the wine being exported to Britain. Bill Redman subsequently made wine in bulk primarily for Woodley Wines until the 1950's, The wine was said to be a lighter bodied 'claret' style aged in large casks for at least 2 years. Bill oversaw all the winemaking in Coonawarra from 1946 to 1951.

In the early 1950's Bill started to supply wine to several wines companies such as Hardy, Yalumba, Leo Buring, Woodley and Chateau Reynella.

In 1952 Bill established Rouge Homme and the first wine to appear under his own label was the 1953 Rouge Homme Claret. Bill retired in 1954 however he remained involved with Rouge Homme until its sale in 1965 and subsequently Redman Wines until his death in 1979.

### THE DAVID WYNN TROPHY FOR BEST RED WINE OF SHOW

It is evident David Wynn saw that it was not enough just to make great wine, but that a concerted marketing effort would be required for Australians to accept table wines as part of their lives.

David's father, Samuel Wynn, was a successful Melbourne wine merchant and was familiar with the attributes of Coonawarra. However when the opportunity arose to purchase Chateau Comaun (the old Riddoch winery) and vineyards, Samuel was not convinced it would be a good viticultural investment, largely due to a report indicating the property would be unviable for wine production. David was not as cautious as his father and courageously went ahead with the purchase.

Securing the help of Ian Hickinbotham, Wynn's main aim was to combine the wines produced with "an advertising campaign in Melbourne to make Coonawarra famous. People when thinking of Claret, would then think of Coonawarra". What ensued was the distinctive branding of Wynns Coonawarra Estate and its position in the market as one of the first quality wines of Australia.

## THE COLIN KIDD TROPHY FOR BEST WHITE WINE OF SHOW

Colin and his family arrived in Coonawarra soon after 1965 to take over from Philip Laffer at Rouge Homme and to continue Lindemans Vineyard Developments at Coonawarra and Padthaway. He was to preside over the 1968 to 1972 Rouge Homme Winery Vintages in addition to managing the company vineyards. Colin later became responsible nationally for Lindemans Vineyard Operations.

During his period in the Limestone Coast Colin presided over key developments including the Lindemans St. George and Limestone Ridge Vineyards, developing the Lindemans Padthaway Vineyards just a year behind Karl Seppelts' pioneering vineyard at Keppoch, and developing a small pilot vineyard of four wine grape varieties at Mt Benson in 1980.

Colin was an instigator in bringing the Coonawarra and Limestone Coast Wine Industries together through various forums and projects of the time, including the South East Viticultural Council (since renamed the Limestone Coast Grape & Wine Council), the Coonawarra Airfield Company, with its land acquisition and development of the McGillivray Airstrip and the introduction of such Coonawarra institutions such as 'Bottle Nights' and the local Beefsteak and Burgundy Clubs.

## THE ARTHUR HOFFMANN TROPHY FOR VITICULTURIST OF BEST WINE OF SHOW

Arthur Hoffmann had a long association with the region's wine industry; principally in viticulture, although he did work the still in the early days of Chateau Cornaum. Arthur Hoffmann's viticultural training was hands on. His skill in the vineyard was learned from his work in Coonawarra vineyards, primarily the Stentford and Johnson vineyards along with his family's vineyards, also in Coonawarra.

Even though the government of the day in the 1930s was offering subsidy to pull vines and encouraging dairy farming, Arthur continued to grow grapes and sold his fruit to Bill Redman who said the great wines of Rouge Homme came from Hoffmann vineyards. In 1965 Arthur sold his 60-year-old Shiraz block to the fledgling Redman Wines and he continued his association with the Redmans in the vineyard and cellar door until his retirement in 1990 aged 87. Arthur Hoffmann passed away in 1994.

## THE EWEN FERGUSON MCBAIN TROPHY FOR BEST MUSEUM RED

Ewen was the first winemaker to work & live in Coonawarra. Dux of Roseworthy in his year, he then became the assistant government viticulturist to Professor Perkins at Roseworthy College.

Perkins has been advising Riddoch on the establishment of the Yallum Fruit Colony and recommended McBain to Riddoch.

In 1898 he took up the position as manager of the Yallum Park Fruit Colony where the 60 acres of vines received his skilful attention and started making wine in the partially completed Riddochs' Cellars (now Wynns). During his time as manager he oversaw the completion of the cellars, completed 10 vintages and trained Bill Redman, who took over the winemaking in 1908. Mccain was said to have been meticulous and insisted on absolute cleanliness in the winery.

McBain brought to Coonawarra the best science and up to date knowledge of the day for the establishment

## THE TROPHIES

### THE H.R. (RON) HASELGROVE TROPHY FOR BEST CABERNET OF SHOW

Ron Haselgrove was born in Adelaide on 23rd April 1900. He graduated from Roseworthy Ag College in 1919 after a brief stint classing wool, he returned to Roseworthy as Acting Analytical chemist in 1920 and went on to do his first vintage at Renmark Growers Distillery under the direction of Leo Buring.

He then went to France and studied at L'cole national d'Agriculture at Montpellier and on his return was winemaker for Angoves and then Mildara. He went on to be Managing Director of Mildara Wines. In the early 1950s, Mildara started making 'claret' style wines with shiraz and cabernet from vineyards in Coonawarra. In 1955 Mildara purchased land and developed 370 hectares of vineyard.

Ron was instrumental in defining the 'claret' style of the time, using smaller oak barrels and working with french coopers to achieve this. A notable wine made with his influence was the 1963 Mildara Peppermint Pattie, rare but still valued and drinkable today.

Notably, Ron received an OBE in 1964 for his services to wine, which included the establishment of the AWRI. He retired in 1971.

### KARL SEPELT TROPHY FOR BEST WHITE (EX. CHARDONNAY)

Karl Seppelt is a third generation member of the Seppelt family who are a long established Australian winemaking dynasty which originated in the Barossa in the 1850's. In the early 1960's Karl travelled overseas visiting many of the old world wine growing regions. It became "obvious" to him that for the Australian wine industry to progress beyond a predominately fortified wine producer, new regions suitable for premium table wine production needed to be found.

He sought government and private information on agricultural land that he considered might be suitable for this of endeavour. Armed with that knowledge and further intelligence garnered from sending his vineyard manager on a holiday to get local knowledge, Seppelt purchased land in Padthaway, with the first plantings of Shiraz and Cabernet in 1964.

Karl Seppelt as company viticulturist continued the expansion of vineyard in Padthaway into the 1980's.

The original name for the Padthaway Region, 'Keppoch' coined by Seppelt is no longer in use, original plantings are still productive and have provided valuable source material and knowledge, and still make good wine today.

## THE ERIC BRAND TROPHY FOR BEST SHIRAZ

Eric established Brands Laira in 1966 after acquiring the vineyard in 1950. Brands Laira was one of the first small wineries in Coonawarra and the first winery to open a Cellardoor sales outlet. Having served in the RAAF in Papua New Guinea and Borneo during the second world war Eric returned to Australia and settled in Coonawarra.

Eric has left a strong legacy of community involvement. Involved in the setting up of the Viticultural Council of SE (now the Limestone Coast Grape and Wine Council ) and the Coonawarra Vignerons Association. Eric was a mentor to many people, helping with the establishment and encouragement of many new wineries in the region.

Eric was invested in 1995 as the First Patron of Coonawarra, in recognition of 50 years of commitment to the Coonawarra wine region and received the O.A.M. in 2002 for his contribution to the wine industry and community. A man of few words but sharp sense of humour, Eric has truly made a life time contribution to our wine community.

## THE PETER WEHL TROPHY FOR BEST MERLOT

Peter 'Pete' Wehl was one of the great characters of the Mt Benson region. He was a passionate ambassador for both his family wine label and the region that was to become South Australia's first to be registered as a GI. Wehl worked tirelessly to promote and advocate for the success of Mt Benson. He had a generous and quick witted disposition and an ability to bring people together, bridging the gaps, not just between North and South sides of the region but between grape growers and wine producers and the older and younger generations in the industry. His natural affinity for viticulture made him a great asset to other growers in the region who drew upon Pete for advice and mentorship.

The Wehl family played a pivotal role in the history of what is now an exceptional region for growing Shiraz, Cabernet and Sauvignon blanc. While a stroke of luck may have played a role in their decision, there is evidence that it was the red soil and cool maritime conditions that caught their attention leading them to be the first to plant grapes in Mt Benson. From humble beginnings of a two hectare plot of Cabernet in 1989, Wehl, along with parents, Bill and Margaret and wife Leah went on to build a very successful wine brand 'Wehls Mt Benson Vineyards'. The family's pioneering spirit inspired others into the region and a rapid development of the Mt Benson viticultural plantings followed amidst the boom of the early 90's and a burgeoning wine industry Australia wide. Investors included a number of high profile international companies.

As well as producing his own awarded wines, between 1996 and 2001 Wehl undertook a major role managing the development and planting of the 120 Ha Mount Benson Community Corporation Vineyards. He remained with the corporation until his untimely death in 2014.

### JANE FAULKNER - Chief of Judges

Jane Faulkner is a journalist by training and a wine writer by vocation. She writes for many publications including *Gourmet Traveller WINE* and *Halliday* magazine, and is one of the key reviewers for Australia's best-selling wine guide, *Halliday Wine Companion*, which means she's busy tasting during the Christmas break when everyone else is on holidays. Jane is an experienced wine judge and currently chairs several Australian shows but this is her last as head honcho of the Limestone Coast Wine Show – she's loved the vinous ride and Marcie's home-made sausage rolls. Born in Malaysia, lives in Melbourne, Jane never tires of travelling throughout the wine world for months on end in search of stories and wines from inspirational, thoughtful producers, including her own backyard, Australia. Naturally she drinks with gusto.

His impressive career has included vintages in France and Canada, as well as senior winemaking roles in the Barossa Valley, Clare Valley and Coonawarra. Passionate about pork and producing regionally distinctive wine, Julian joined the Deep Woods team at Margaret River in 2011. Under his leadership, the winemaking team has continued to refine and explore the Deep Woods style, culminating in 25 trophies and in excess of 70 gold medals awarded across major national and international wine shows.

### EMMA NORBIATO - Judge

Emma was raised on a Riverina sheep and rice farm. She achieved the highest mark for sensory evaluation in her year at Charles Sturt University which led to Associate Judging at the National Wine Show in Canberra at age 21. Vintages around Australia and in Tuscany were followed by 4 years at Penfolds in the red winemaking team. At age 26, Emma took up a Senior Winemaking role with Casella Wines, producing Yellow Tail. In 2009 Emma started working at Calabria Family Wines, working with vineyards and growers in the Riverina. Emma has an increasing interest in alternative varieties, viticulture and seeing the Riverina region reach its full potential. In 2016 Emma was awarded the AWIWA's Winemaker of the Year.

After Australian and French vintages in 2008, he joined the opening team of Sydney's Rockpool Bar & Grill. As a senior sommelier there, he was privileged to work with one of Australia's most prized wine cellars gaining exposure to some of the great and rare wines of the world. After a brief sojourn home to Adelaide in 2012 working at Press Food+ Wine, Jeremy returned to Melbourne, where he now looks after the retail operations of the City Wine Shop.

## ASSOCIATE JUDGES

### ALICE BAKER

Alice grew up among the apple trees of the Adelaide Hills, and after completing an undergraduate degree at Adelaide University with honours in Geology and Geophysics, she worked for PIRSA using spectral sensing technology to evaluate soils and drill core for industry. After completing vintages in McLaren Vale, she returned to study Oenology and Viticulture at Adelaide University. She has travelled, tasted and worked in some far reaching wine regions of the world including, Kakheti Georgia, the Okanagan Valley Canada, Chile, California, France, China, Russia and South Africa before calling the coastal town of Robe home. She is currently Winemaking at Norfolk Rise Vineyard and experimenting in her shed in Robe.

### AMY BLACKBURN

From an early age, Amy had an avid interest in science, completing a degree in Chemistry at Adelaide University. Amy joined the Brand's Laira team in 2004, initially as Laboratory Manager. As her passion for the wine industry grew, Amy became more involved with the winemaking process. Whilst working as Assistant Winemaker, Amy studied for the degree of Wine Science, graduating with distinction as dux of her class. Now a Winemaker, Amy has attained an understanding of many varietals and wine styles through 13 years of experience in the Coonawarra, Hunter Valley and Napa Valley regions.

### LAUREN HANSEN

Lauren grew up on the Limestone Coast, and after filling a gap year with vintages in Padthaway and Canada, decided to pursue a career in winemaking. She graduated from the University of Adelaide in 2012, as dux of the Bachelor of Viticulture and Oenology course. After vintage hopping for a few years, completing vintages at Brokenwood in Hunter Valley, Madden's Rise in Yarra Valley, Wither Hills in New Zealand, Weingut Allram in Austria, and Bannockburn in Geelong, Lauren moved to the Clare Valley to work as assistant winemaker & vineyard manager for Adelina Wines. In 2015, Lauren moved closer to home to join the Balhaves team as assistant winemaker.

### SEAN MURPHY

Currently Winemaker with Ladbroke Grove Wines in Coonawarra. Growing up in the Padthaway wine region, the lure of a career in the wine industry was always present. An introduction into winemaking began in Mount Benson in 2003 whilst studying Wine Science at Charles Sturt University. In 2005 the move was made to Coonawarra and he commenced his current position with Ladbroke Grove in 2010.

**Judges:** Jane, Sarah, Julian

**Associate Judges:** Alice, Lauren

**Judges Comments:** A class dominated by Pinot Gris / Grigio - there needs to be more experimentation i.e. skin contact to develop more texture, flavour and adding freshness. Needing better acid balance too. A delicious Vermentino in the mix - more of this please!

## CHARDONNAY

### CLASS 19 – CHARDONNAY: 1 YR OLD (2017-16)

**Judges:** Wendy, Sarah, Emma

**Associate Judges:** Lauren, Amy

**Judges Comments:** Wines lacked complexity and balance. Many finished sweet - lacked acid drive overall. Fruit didn't suit oak use in some cases. Attempts at funky sulphite complexity weren't matched by the fruit. Perhaps that style doesn't suit some regions here.

## ROSÉ

### CLASS 21 – ROSÉ

**Judges:** Jane, Sarah, Julian

**Associate Judges:** Alice, Lauren

**Judges Comments:** Disappointing class - Rosé should not be an after thought EVER - some wine too sweet, too phenolic and over fined. One shining light - a crisp, crunchy, zesty and bright Rosé - we'd drink a bottle. How about building texture with some old oak? Open canopies - not green fruit - and no overcropping.

**Judges:** Wendy, Julian, Jeremy

**Associate Judges:** Alice, Lauren

**Judges Comments:** Variable quality through the class but best wines were fresh, showed good intensity, length and integrated acidity. Some looked too prematurely aged.

**Judges:** Jane, Sarah, Emma

**Associate Judges:** Sean, Amy

**Judges:** Wendy, Julian, Jeremy

**Associate Judges:** Alice, Lauren

**Judges Comments:** Overall, a solid bracket of blends with good fruit concentration - but judicious handling of oak warranted - let the fruit shine! Some hot on the finish. Best wines were balanced and had freshness with well integrated tannins. Well made wines overall showing good regional diversity.

### CLASS 32 – SHIRAZ: 3 YRS OLD (2014)

**Judges:** Wendy, Sarah, Emma

**Associate Judges:** Lauren, Amy

**Judges Comments:** Lack of exciting styles. Wines need more personality. Need to push the boundaries a bit more. Best wines showed vibrant fruit and balanced tannins. Reduction and astringent tannins a problem overall in lower scored wines.

### CLASS 35 – CABERNET SAUVIGNON: 3 YRS OLD (2014)

**Judges:** Jane, Julian, Jeremy

**Associate Judges:** Alice, Sean

**Judges:** Wendy, Sarah, Emma

**Associate Judges:** Lauren, Amy

**Judges Comments:** Terrific class to judge celebrating the diversity of cabernet across the region. On the whole, balanced wines with detailed fine tannins - lots of deliciousness to be had - Cabernet Rocks!!! Just a note on the lower scored wine - some Brett, a corked wine (why?) and a tired one too - some borderline greenness to the fruit.

### CLASS 36 – CABERNET SAUVIGNON: 4-6 YRS OLD (2013-11)

**Judges:** Jane, Julian, Jeremy

**Associate Judges:** Alice, Sean

**Judges:** Wendy, Sarah, Emma

**Associate Judges:** Lauren, Amy

**Judges Comments:** Strong class - as we expected from this show - best wines showed attention to detail in their making with good fruit at the core highlighting the strengths within different vintages. A good range of styles - great to taste - however lesser wines were disjointed, too much brettanomyces, reduction. Some advanced wines too.
