FROM THE COMMITTEE

2015 marks the 15th anniversary of the Limestone Coast Wine Show and a return to our newest GI, Mt Gambier, for the Awards Dinner.

This year will also herald a change, as Andrew Wigan retires Jane Faulkner steps up to the Chairmanship. We would like to thank Andrew for his efforts and wonderful support of both the show and region over the years.

As always a notable International Judge will be a member of the Judging Panel, and this year we welcome Singapore's leading wine educator, Lim Hwee Peng.

In order to reduce the paperwork pain of the Individual Vineyard entries, this year we will begin a Individual Vineyard register. If no changes have occurred to your label or grape sourcing for an individual vineyard entry, we will keep the paperwork for three years regarding your entry. Please take careful note of the changes in the regulations.

This year we again have an amazing line up of Judges and some classic vintages in the spotlight which promises to deliver fierce competition for the week's accolades.

We as a Committee would like to thank all the Exhibitors for your continued support, and wish you all the best for this year's show.

16. There will be an International Judges Award. Any labelled wine entered in the show is eligible for this award. The International Judge will determine the criteria for selection. The philosophy is to award a deserving wine that shows excellence but would not necessarily achieve status in the existing judging and trophy structure. The award will be presented along with the trophies and in similar fashion.
17. There will be an opportunity to enter small batch wines. Small batch is where a maximum of 1350L (150 dozen) were produced and a minimum of 25 cases are in stock at time of entry. These will be judged with the regular exhibits and in the regular classes. If a wine is entered as small batch at time of entry, it is not eligible for any trophy other than the small batch trophy. The Stand Alone TROPHY for Small Batch wines may be given to the best wine that exhibits something new or innovative or is simply excellent. Small Batch wines shall not be entered in the Museum classes (classes 34 & 35). Only gold medal wines are eligible for this Trophy.
18. Judges will use the standard 20 point scale, with results published for all wines. **Tank samples or unbottled/unfinished wines will receive points only and are not eligible for medals or awards trophies.**
19. The most successful exhibitor trophy will be awarded to the exhibitor who has achieved the highest aggregate score, from their top five or less scoring entries. No more than five exhibits shall be included for the calculation for this trophy. Non-bottled wines points and Museum Classes 34 & 35 are excluded from this.
20. Minimum litres per class as listed: (at time of entry)

Current Vintage Wine	Classes 1 - 5	1350L (150 doz) – see pg 20
One Year Old Wine	Classes 6 - 11	1350L (150 doz) – see pg 20

Three Year Old Wine	Classes 18 - 23	1350L (150 doz) – see pg 23
Reserve Wine	Classes 24 - 26	1350L (150 doz) – see pg 24

Small Batch Wine	All Classes	225L (25 doz)*
