## FROM THE LCWS COMMITTEE

The 2017 Wine Show promises another great showcase of our regions. A strong team of judges is once more assembling under the guidance of chief of judges Jane Faulkner, who is joined by the acclaimed London based wine critic Sarah Ahmed (follow her as The Wine Detective on Facebook or twitter, or on her website). See the full list of judges and committee below. Many new faces and a great diversity of opinions amongst them.

The first Provenance class showcase last year was a resounding success and we thank you for supporting it with entries. It was so strong that this year we will award both a red and white provenance winner. Based on your feedback, there will be some important changes to make sure more people have the opportunity to enter provenance classes: - one entry fee for the 3 vintages entered; 2 bottles only required for this class, and any unused bottles of the older vintages to be available for pick up by the exhibitor at the tasting on Friday 27th October.

Due to strong recent showings in both categories, we will this year award both a sweet and a sparkling trophy.

### 3. Trophies & Awards

- 3.1. For an overview of trophies and hierarchy refer to p.5 Trophy Flow Hierarchy.
- 3.2. The Arthur Hoffmann Trophy for Best Viticulturist of Show and travel bursary, will be presented to the nominated viticulturist for the Bill Redman Trophy for Best Wine of Show. Nominations are part of the entry form and should reflect a strong link to the wine. It is expected the travel bursary be used for/toward an international field trip to be within 2 years of it being presented. Where more than one viticulturist has been involved in growing grapes for a wine, one viticulturist must be nominated on the entry form for the purposes for granting the travel bursary. Winemakers or proprietors are not accepted by the committee as substitutes for nomination, and if a name cannot be provided for a winning wine, the trophy and travel bursary will be withheld.
- 3.3. 3.3.1 There will be a trophy for the Best Individual Vineyard Wine. For an exhibit to be considered as an INDIVIDUAL VINEYARD it shall be from a NAMED single block or vineyard clearly referred to on the commercial label (front or back) that reflects the link between site and label. The individual block or vineyard shall be a single site continuous and defined. The wine shall be 85% or greater from this site. For an exhibit to be considered for this trophy, a FORM 2 for each wine shall be completed with the required documents submitted by post or email at the time of entry. If paperwork is not received prior to judging, the committee will untick the Individual Vineyard box on the entry form.
- 3.3.2 PLEASE NOTE: returning individual vineyard exhibitors may opt to use the VINEYARD REGISTER, whereby documentation shall be submitted at least once every three years, if no significant changes have been made to the wine label and/or vineyard block as defined on the label. If significant changes have occurred, paperwork as for 3.3.1 will be required. A different vintage year will be accepted.
- 3.4. There will be an opportunity to enter experimental small batch wines. Small batch is defined by the committee as where a maximum of 1350L (150 dozen) were produced and a minimum of 25 cases are in stock at time of entry. These will be judged with the regular exhibits and in the regular classes. The Panel Chair will be advised of the exhibit numbers of small batch wines within each

# Wine Show '17'

---

- 3.4. (cont.) class once initial judging of the class is complete, in order to make decisions on the wine's merit to be put forward for this award. The award is designed to encourage experimentation, and may be given to the best wine that exhibits something new or innovative or is simply excellent. If a wine is entered as an experimental small batch at time of entry, it is not eligible for any award other than the experimental small batch award. The winning wine does not need to be a gold medal, and may or may not be a bottled wine. Small Batch wines shall not be entered in the Museum or Provenance classes (classes 7 to 14).
- 3.5. There will be an International Judges Award. Any labelled wine entered in the show is eligible for this award. The International Judge will determine the criteria for selection. The philosophy is to award a deserving wine that shows excellence but would not necessarily achieve status in the existing judging and trophy structure. The award will be presented along with the trophies and in similar fashion. Non bottled wines are excluded from this award.
- 3.6. There will be an award for The Chief of Judges wine to watch. This will be awarded to any wine of merit by the Chief of Judges. It does not need to be a gold medal wine and is a stand alone award. Non bottled wines are excluded from this award.
- 3.7. The most successful exhibitor trophy will be awarded to the exhibitor who has achieved the highest aggregate score, from their top five or less scoring entries. No more than five exhibits shall be included for the calculation for this trophy. Non-bottled wines points and Provenance Classes 7-12 are excluded from this calculation.
- 3.8. Wines entered for **Provenance Trophies** will be judged as a stand-alone group or section. Exhibitors will be asked to enter **3 wines of the same label**, one of current vintage, one of between 5 years and 9 years older than current vintage and one of at least 10 years older than current vintage. Wines will be **judged as a group of three**. Provenance is designed to recognise and celebrate wines of exceptional consistency of style and quality over time. The label is the winner, not a particular vintage. Exhibits entered into the Wine of Provenance classes may also be entered in an Open Class.

#### 4. Protocols

- 4.1. All exhibits become the property of the Limestone Coast Wine Show.
- 4.2. Condition of entry that exhibitors agree to abide by the consequences of the wine show auditing process.
- 4.3. The Committee shall audit exhibits as per ASVO Wine Show Project Reference Group recommendations. (refer ASVO BPR 2015 section 4.7).
  - 4.3.1. Labelling Integrity Program (LIP) paper-trail compliance.
  - 4.3.2. Minimum stock at time of entry.
  - 4.3.3. Will be asked on entry to nominate address or warehouse where stock can be inspected and audited, as inspection of stock may form part of audit process.
  - 4.3.4. Pre-Judging and post-judging audits (refer ASVO BPR 2015 4.7.3).
  - 4.3.5. The audit process may be conducted by an internal or external auditor.
- 4.4 The Committee's decision shall be final.
