

Liz Heidenreich (Judge)

Heidenreich Wines, Peter Teakle Wines

As a former nurse, Liz decided to pursue her interest in wine by returning to study as a post-graduate student at the University of Adelaide. A naturally instinctive winemaker, she places a high value on working with quality fruit and attention to detail as key requirements for creating outstanding wine.

Liz previously worked at Sevenhill Winery, for 14 years and prior to this, undertook vintages at Wirra Wirra in McLaren Vale and at Sir Cliff Richard's estate in Portugal for 4 vintages. In addition to her work at Sevenhill, Liz has judged extensively at wine shows, including the Royal Adelaide Wine Show, Clare Regional Wine Show and the Barossa Wine Show. She is a member of the Clare Valley Winemakers Inc executive and she is the CVWI's regional representative on the South Australian Wine Industry Association's Executive Committee.
