

Stephen Tierney (Associate Judge)

Stephen was born and bred on the Limestone coast and undertook his first harvest at the LCW facility 2001, the seed was sown for a career in the wine industry. After working/ tasting his way through the cellars of North America and Europe for a few years, Stephen took the plunge and undertook a Bachelor of Oenology at the University of Adelaide, completing in 2007. He then further developed his craft in the Adelaide Hills with Shaw & Smith, followed by time with S.C.Pannell and Warren Randell in McLaren Vale. The Limestone Coast always called and now having returned to his roots he is enjoying applying his knowledge and experience gained to the LCW range of wines.
