

Mixed Dozen 'Famils' - HENTY

Regional Wine Tourism Highlights Tour Program

The Limestone Coast Mixed Dozen Interactive Wine Trails project is proud to host a series of tours for the wine tourism sector!

The first three were fantastic and got rave reviews!! We hope you can join us for the Henty tour and explore in person some of the regions wine tourism offering. We encourage **Cellar Door Staff, Tourism Businesses, Visitor Information Centre Staff** to participate. Here's who we'll be visiting:

The purpose of the Tour Program is to **look at key wine tourism offerings and highlighting leadership in operational practice for wine tourism**. The program will:

- Increase your knowledge of the experiences available for visitors across the region by experiencing these firsthand and returning to your own businesses to share the experience and promote what you've seen with staff and visitors/clients.
- Inspire you to further develop the wine tourism experience in your own businesses, increasing the offering in our region.
- Allow you to share information and connect with other operators about what you all deliver for visitors in our region every day!
